Youth Triumphs.

The spelling match held Monday night in the court house brought out an enormous crowd. The court room was packed and hundreds were unable to gain admission. The interest was intense throughout, and many surprises awaited the "come-backs" in the manipulation of the twenty-six letters of the alphabet. Miss Laura Drumm, the fourteen year old daughter of Mrs. Arthur Drumm was the winner. She held the floor to the last and might have been spelling yet if the supply words had not given out.

Miss Wilmot's Recital.

Miss Frances Wilmot, a senior in the voice department of Central College, gave an interesting and finished recital for graduation in Murrell auditorium Tuesday evening. The fact that Miss Wilmot was reared in Lafayette county added considerable local interest.

Miss Wilmot's voice is a lyric soprano of pleasing quality and her singing showed both ability and earnest preparation. Her attack was sure and her enunciation distinct. Her stage presence, too, showed ease and confidence. The program consisted of songs in German, Italian and English. Each kind was demanding in its peculiar way; but Miss Wilmot met these demands admirably. The song from Faust was particularly well done.

As is usually the case, the English songs were the most pleasing. Lang's "Ghosts" was so exquisitely handled that the audience demanded a repetition. Every number, however, was warmly applauded and the success of the entire program brought the singer many deserved compliments.

Mrs. Allen at the piano played the accompaniments in her customary artistic style and showed perfect sympathy with her pupil.

The program follows:

German Songs:	
Er ist's	Schumann
Alte Laute	Schumann
Wanderlied	Schumann
Arias:	
Quando me'n vo soletta	(La Boheme) Puccini
Voce di donna	(La Gioconda) Ponchielli
La parlata d'amor (Foust)	Gounod
English Songs:	
A Serenade	Nedlinger
The Robin	Nedlinger

Miss Graves' Recital.

The piano-forte recital for graduation by Miss Myrtle Desha Graves at Murrell auditorium, Central College, Monday evening brought out a good audience and proved to be one of the best of the many good recitals of the year. Although she had been handicapped in practice by a sore arm, Miss Graves played accurately and with a splendid finish. For several years she has been a pupil at Central college and every time she has appeared in public she has elicited much favorable comment. The program yesterday evening, in fact was the culmination of a number of notable performances. More than usual local interest was attached to it, too, from the fact that Miss Graves is a niece of Mr. and Mrs. William H. Chiles.

The program was varied and exacting in its demands upon the performer and Miss Graves met these demands admirably. From first to last she showed developed technique and rare musical understanding. In the involved passages she made the melody stand out and she always maintained a regular and exact tempo.

Every number was heartily applauded and after the recital the performer received many well-deserved compliments and congratulations. The recital was highly creditable to both Miss Graves and the music department of the college.

The program follows:

The ceremony took place before a bank of ferns. The house was decorated with ferns, pink and white carnations and roses. Before the ceremony Miss Atha Dewese sang "O Promise Me." The bridal party entered the parlor to the strains of the Wedding March from Lohengrin played by Miss Laura Thierman, a sister of the groom. The attendants were Miss Ruth Craig as maid of honor, and Mr. Melvin Thierman of Aullville as best man. Little Miss Elizabeth Slaughter was the bearer of the wedding ring which was concealed in a rose. The wedding was witnessed by the relatives and most intimate friends of the contracting parties, after which light refreshments were served.

At 5:40 the bride and groom left for Kansas City where they will spend a few days, after which they will go to their future home near Aullville.

This band has twenty-seven members and has been trained by Capt. F. A. Day, whose capabilities as a musician and band instructor are well known. His reputation for thoroughness always gives the public assurance of something worth while whenever one of his organizations are to appear in public. The concert Tuesday night was no exception. They played splendidly, and are to be congratulated on the quality of their music at their first public performance.

William Stonestreet of St. Louis arrived Saturday evening for a few days' visit here with relatives.

Wentworth 9; M. V. C. 8.

The Wentworth and Missouri Valley College base ball teams Saturday pulled off one of the most pestiferous performances of the national pastime ever seen in Lexington. The game was a nerve destroyer of the most malignant type. The result, always in doubt, was most gratifying to the local contingent. Errors were so plentiful that they could be seen with the naked eye long before they were hit. Wentworth's pitcher, one Slusher by name, we acclaim a coming star. He sure worked like a veteran in the face of the most miserable support ever given a cinder heater. He was it. Wentworth did some clean and vicious hitting and thereby helped some. M. V. C. couldn't hit, but they didn't have to. In one inning they made two runs without a semblance of a hit. Wilson for the cadets made the one scintillating play of the game. His catch in center field was a peach. The most productive inning for the cadets was the seventh, where they made five runs. Thereafter Slusher used the "high" and there was nothing doing for the visitors.

O. R. Sellers arrived from Chicago Saturday evening to spend a few weeks with home-folks.

Mrs. J. B. Silver went to Kansas City Wednesday for a few days' visit.
